

PRODUCT NO.: 10860958

AIRSYSTEM WALL MOUNT LU-W 50MM SS

BENT

Air system spinner LU-W for wall fastening

Tube diameter: 50 mm

Moving radius: 180°

Length: 1.750 mm

Material: Stainless steel

Weight: 8.6 kg

The air spinner system is a novelty used in the self-service car wash. It is especially designed for outdoor vacuum cleaner and self-service drying plants. The air spinner system eliminates the use of floor hoses so that the user has more room to move.
